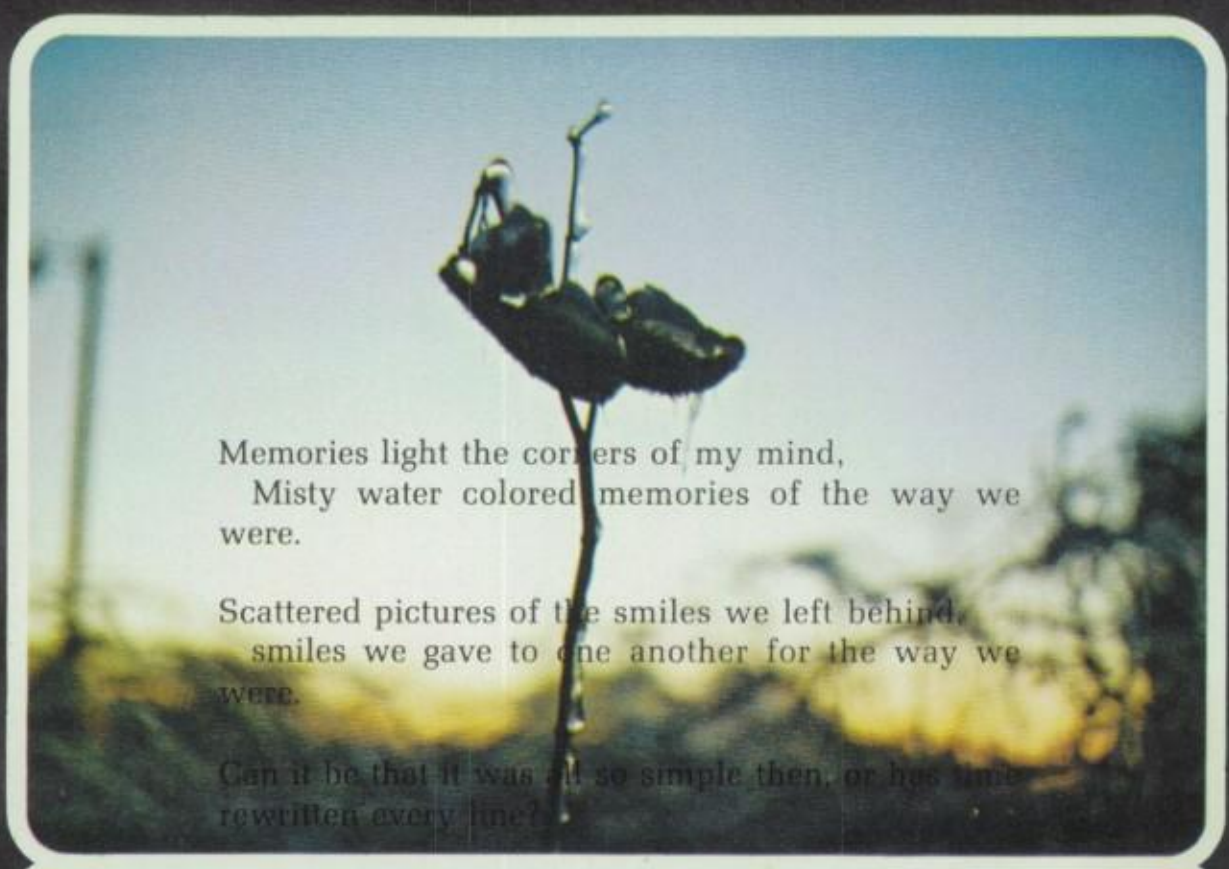
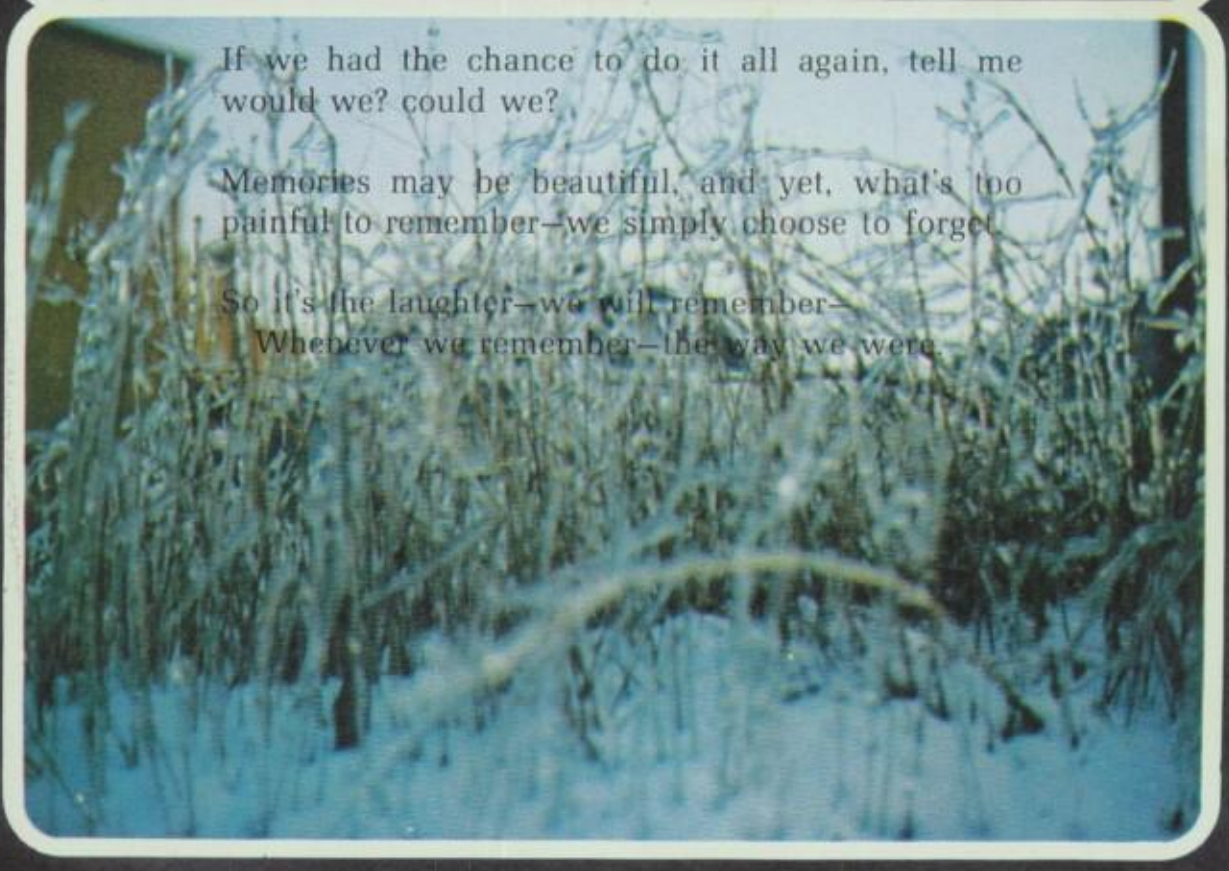
Aepix



Memories light the corners of my mind,
Misty water colored memories of the way we were.

Scattered pictures of the smiles we left behind,
smiles we gave to one another for the way we were.

Can it be that it was all so simple then, or has time rewritten every line?



If we had the chance to do it all again, tell me would we? could we?

Memories may be beautiful, and yet, what's too painful to remember—we simply choose to forget.

So it's the laughter—we will remember—
Whenever we remember—the way we were.

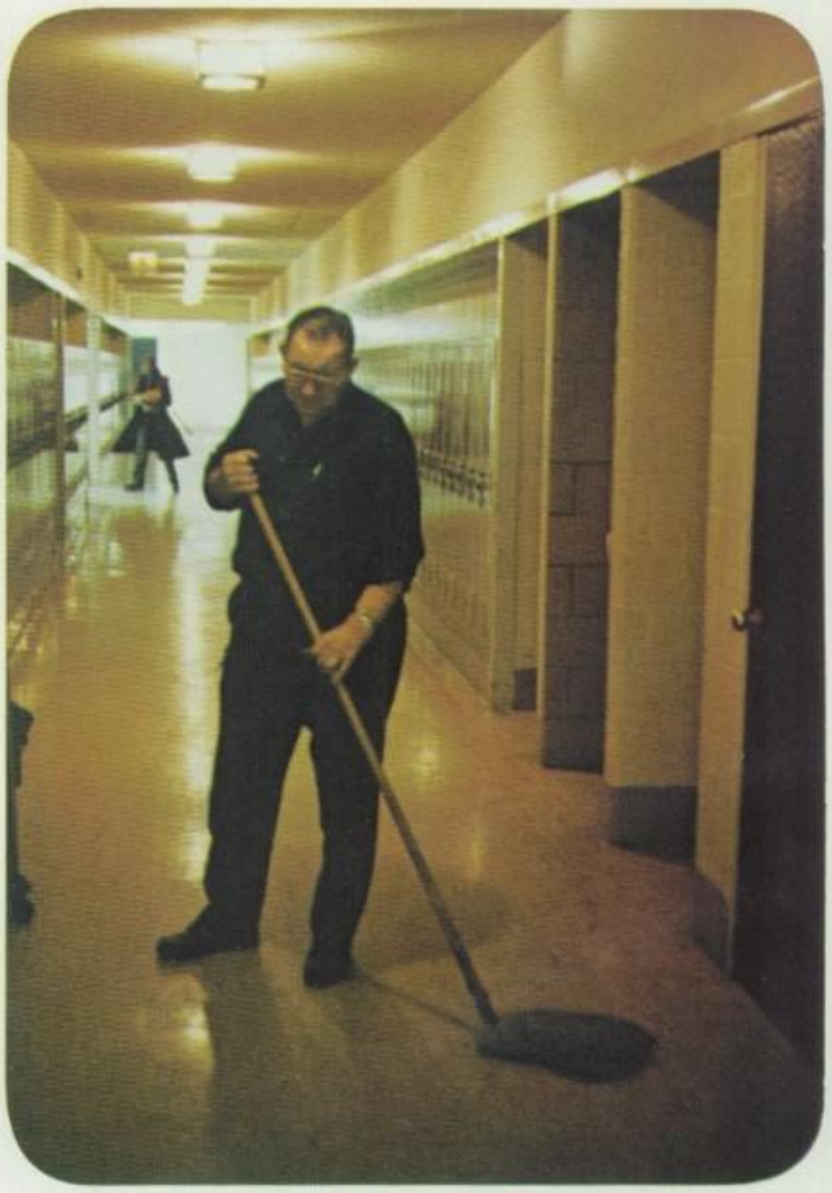
DEDICATION IS A TRIBUTE



TO A PERSON

A dedication is a tribute to a person. This year the Aepix Staff voted unanimously to pay tribute to a very deserving recipient. We, the Aepix Staff, dedicate this, the 1979 Aepix, to Mr. Ernst. Mr. Ernst is the Head Custodian for Bloomington High School and has been for the past several years. He has only a short time to serve in this capacity before he can retire. Mr. Ernst not only oversees the custodial staff here at BHS, but he also gives of his time for us, the students. Therefore, we wanted to pay tribute to this very special person before he left. Mr. Ernst, this is your yearbook.

Homecoming began with a busy Spirit Week. The students participated in dress up days having to do with past decades that tied in the theme Reminiscing. Monday was Cowboy Day with pony races after school. Tuesday was Depression Day, and Wednesday was Grease Day with the main attraction being a Sundae Eating Contest. Thursday was Hippy Day and everyone wore their "IN" beads. Thursday night included an outdoor pep assembly. Friday was Disco Day. Spirit Week was concluded with the annual Homecoming Dance.

ADMINISTRATORS FURNISH LEADERSHIP

The administrators' team is made up of four very hard working people. It is their job to coordinate everything so that our school day may run as smoothly as possible. Mr. Bryant, our principal, approves all activities and watches over the students. Mr. Garrett, the assistant principal, takes care of student scheduling. He also takes the job of acting principal when Mr. Bryant is gone. Mr. Holzhauer, who is our dean, handles all disciplinary problems that occur among the students. Ms. Vance is the Dean of Girls. She deals with the girls at B.H.S. Although the administrators' decisions aren't always popular, they do what they feel is best.

BOARD OF EDUCATION SETS POLICIES

Superintendent Stimling

The Board of Education is made up of six elected members. The School Board members are Jack Ingold, Eva Jones, John Kibler, Carol Fraker, William Bach, and David Brownell. Dr. George Stimling is the Superintendent of Schools for District 87. Norman Jones is the President of the Board. The School Board sets the policies for District 87, such as the students' expected standard of behavior throughout the school year.

There are many secretarial jobs here at B.H.S. that the student body does not realize must be done. Each secretary has her own special duties. The deans' office secretaries take messages, handle discipline and confidential records, take dictation and do paper work for in-school suspensions. The counselors' secretaries have varied duties handling college catalogues and career books, new student files and drop-out files, typing, filing, program changing, and appointment making. The office secretaries take care of getting substitute teachers. They work as receptionists, handle the bus passes and locker combinations. They handle book money, clubs money, the budget, and B.H.S. mail. The principal's secretary takes care of school keys, absences for staff and faculty, diplomas, National Merit Scholarships, DAR, and Honor Roll.

Mr. Bruno checks over some of his work.

The counselors this year deserve a lot of credit for their outstanding work. All of the counselors at B.H.S. have done a great job at setting up our schedules, helping students with any problems or questions that they may have, and helping prepare for their BIG FUTURE! Those jobs may not seem like much but the number of students that attend Bloomington High School must be taken into consideration. Being a counselor at B.H.S. is not a easy job. But the student body at B.H.S. is thankful for the great counselors that are available to us.

She's not camera shy!

STUDENTS STUDY HARD

Ms. Theda Wollman

Ms. Paulette Fuerst

Ms. Carol Hostuft

The B.H.S. library is always busy with people doing extra credit reports, research, or just finding a good book to read. A wide selection of magazines, newspapers, and educational filmstrips can make any visit productive.

The three librarians this year include Ms. Theda Wollman, the Head Librarian, Ms. Paulette Fuerst and Ms. Carol Hostuft, both of whom are new to the library staff. These librarians are always ready to help out.

Students are also involved in helping others in the library. These students are referred to as library assistants. Assisting widens their skills for job opportunities.

Work or Pleasure?

Hard at work as usual.

Ready! Set! Action! Many students at B.H.S. mistake the nurse's office for the Drama Class. The faces of pain and agony come through clearly on the day of a test. A talent scout would have a large selection of B.H.S. students for finding great dramatic talent. An average of 70-75 actors, actresses, and in some cases, students "make an appearance" in the nurse's office each day.

However, the real cases must not be overlooked. These students are always well cared for by the school nurse, Mrs. McLeese. Mrs. McLeese has been the school nurse for 7 years, and hasn't lost anyone yet . . . that we know of!

CUSTODIANS KEEP UP THE GOOD WORK!

Whistle while you work!!

The custodian crew works year round to keep our school in its top condition. From cleaning the cafeteria after the lunches to cutting the grass and washing windows, they are always busy at work. The eleven person staff is headed by Lawerence Ernst who has been with the school district for 28 years and has been at Bloomington High for 18. All the custodians do a good job around school and we really appreciate their work.

WHAT-CHA GOT COOKIN!

Our cooks in action.

The Bloomington High School cooks did a real nice job of keeping the students fed. They always had a variety of food to please anyone's taste buds. It was very obvious that the cooks are a well organized group. Behind every organized group there is an organizer; this year Mrs. Crutchley did a fantastic job of keeping everything in order.

INDUSTRIAL ARTS PROVIDES OPPORTUNITIES

The Industrial Arts program provides its students with an outlet to put their talents to use. There are a variety of materials which they can use to express themselves, such as Woods and Metals.

Those who prefer a little more of a challenge may choose to study Auto Mechanics, or Electronics. A team of seven teachers make up the staff. They are Mr. Alexander, Mr. Baker, Mr. Bishop, Mr. Brumley, Mr. Huntman, Mr. Scrivner, Mr. Walters.

Mike Johnson stops his work for what?

HOME EC. PROVES TO BE EDUCATIONAL

Home Economics covers a wide variety of learning experiences. Home Ec. proves itself to be helpful at present and also in the future. In Home Ec. classes, students learn the basics of sewing. They get the chance to test their ability in choosing material and making their own clothes. They also learn basics in cooking such as kitchen safety, how to set a table correctly, and planning and preparing a meal. Last, but not least, students learn family planning. They cover areas such as purchasing a house, family budgeting and helpful hints for raising a family. Home Ec. is a good learning experience and a lot of fun too.

DRIVER'S ED TEACHES SAFETY

Mr. Hodgson

Ms. Morrison

Mr. Nixon

Mr. Pavlik

Driver's Education students, through classroom exercises and behind-the-wheel experience, learn safe and proper methods of handling an automobile.

Classroom activities include instruction in safety procedures, traffic laws and automobile maintenance. Students become familiar with guages on the dashboard as well as the basic components under the hood. Techniques such as changing a tire or checking the oil help the student to be prepared for emergency situations.

One day each week the student spends a whole class period behind the wheel, driving in actual traffic situations. In this way he perfects his driving skills and applies his knowledge of the rules of the road.

Two days each week the student is a passenger in a car driven by another student. He then learns from comments made by the instructor or other students.

Supplementary activities, including movies and guest speakers round out the program which is designed to make young drivers confident and conscientious behind the wheel.

Pictured above, Driving Instructors: Ms. Morrison, Mr. Nixon, Mr. Pavlik, Mr. Hodgson and Mr. Frank.

AREA CENTER PROVIDES KEY TO SUCCESS

The Area Vocational Center consisted of many dedicated teachers who assisted students in obtaining a job or planning a career. The Area Center offered a wide variety of courses to its students. These courses enabled students to develop a saleable skill that would provide them with a profitable future.

A couple of the more popular programs were Building Trades, and Home Remodeling; all the Area programs offered practical training to students.

If you are considering a future in a vocational field, check into the Area Vocational Center. It could be an important step toward your future.

WORKING IN THE OFFICE

Mr. Ridenour and class officers make things work.

A good preparatory experience for students is Office Occupations. Students' training includes lessons in class and on the job practice after school. This experience prepares them for employment after graduation.

Mr. Charles Ridenour, chairman of the Business Department, teaches this class in the mornings and observes students at their jobs in the afternoon. He is the only teacher for this course, and he does his job very efficiently.

DISTRIBUTIVE EDUCATION IS WORKING

Frosty concentrates on school.

Distributive Education also prepares the student for a career or occupation. The students in this course go to school only half of the day and work at various companies in town in the afternoons or at night.

One activity in this class is to make many displays to be placed in the display window outside the Distributive Educational room. Mr. Howerton is the very dedicated coordinator of this class.

Students work on Christmas tree.

HEALTH PROVES HELPFUL

Along with Physical Education, students are required to enroll in one semester of Health. Thanks to Mrs. Sue Silvey, Bloomington High has a really super program. She instructs her classes in such areas as Consumer Health, Mental Health, Diseases, Survival and Safety, Substance Use and Abuse, Human Growth and Development, and Cardiopulmonary Resuscitation. Mrs. Silvey invites guest speakers and always has plenty of visual aids.

She is an instructor who really knows her stuff and does her best to teach students how to avoid danger and harm.

This year we would like to welcome two new members to our Physical Education Department—Mr. Terry McCombs and Mr. Richard Kruger. Both of these men have made tremendous contributions to Bloomington High School. Mr. McCombs was coach of the Varsity Football Team and led the Raiders through a terrific season. Mr. Kruger also made an important contribution to the Freshmen Football Team and led them through a tough season. Thanks to the efforts of these two men, both Varsity and Freshmen Football Teams had a successful season.

Foreign language is one of the most interesting subjects to students. There are four foreign language classes at B.H.S. They consist of German, French, Latin, and Spanish. The students not only learn how to speak the language, but learn how to read and understand it as well. Some students even get to visit foreign countries to view the different customs and traditions of the country. Foreign language study proves itself to be a very interesting subject.

Creativity shows up in our Art Department. The students combine basic instruction from Ms. Aamot and Mr. Curtis with their own imagination to create an original style reflecting their own personality.

This year's classes included Art I & II, Pottery, Ceramics, Sculpture, and Drawing & Painting in which students learned techniques in different fields of art.

Seniors who are serious about Art may participate in Senior Studio. In this class, they work on projects on a individual basis. Art projects included woodburnings, predesigned clay objects, outdoor nature sketches, and scenic oil paintings.

Outstanding art pieces were displayed in out of school art shows.

Eight teachers were led by Mr. Manahan as department head. They taught a number of classes including Black Studies, Sociology, American History, World History and Economics, just to name a few. The department had something for just about everyone.

During the four years at B.H.S. everyone must take required classes in the Social Science Department, but many of the elective classes are as full as the required ones.

Here at Bloomington High School we have an excellent Math Department consisting of eight qualified teachers. Students at B.H.S. are required to take at least one year of Math, and they have a large selection of Math classes to choose from. Courses range from General Math and Algebra-Trig. to Data Processing and Occupational Math. Students can work at their own level, so Math classes provide a challenge for many and a good learning experience for all.

A new activity was added to the Science Department this year—"The Biology Club". The members of the club made plans to landscape B.H.S., recycle paper products, and take several field trips to Chicago. The Science Department had another productive year.

ORCHESTRA! A MUSICAL EXPERIENCE

This school year has proven to be an eventful one for the orchestra. Under the direction of Mrs. Linda Wolfe the Orchestra went to the Illinois High School Association Band-Orchestra Contest. Of course they placed first. The orchestra also performed in various concerts throughout the year.

There is also individual talent in the Orchestra. A few members represented Bloomington in the Illinois High School Association Solo Ensemble Contest. Some members also went to District and even on to State.

As a whole the members of our Orchestra worked hard throughout the year. Thanks for a great year!

The Speech Team has always been successful with Mr. Lawrence Connolly as the Speech Team coach. Gregg D. Zorn is the assistant coach. With the help of co-captains Kathy Fagerburg and Nancy Johnson, the speech tournaments went smoothly.

Tournaments were held every Saturday from the middle of October to the end of February with a few Novice Tournaments in April.

The top priority for the Speech Team is not to win each tournament, but to gain self-confidence and improvement in public speaking.

Student Council is not a club, but a group of students elected to represent the student body. Ten representatives from each class, four senior officers and one advisor make up the council.

Student Council uses the students' ideas to help improve the school and create new activities. Some people say that council doesn't do very much, but they do more than any other organization in the school. Each year council collects money for Muscular Dystrophy, United Way, and cans for the Christmas can drive. They sponsor projects such as the Student-Faculty Basketball Game, April PTA presentation, Spring Assembly, Christmas Faculty Tea, Dances, Valentine Flower Sale, and money-making projects such as Beich Candy and lightbulbs. Council also helps with the Walk for Mankind, school registration, community projects, and the Christmas parade. A new activity that council started this year was Halloween dress-up day.

Homecoming was the largest project, involving work for the assembly, coronation ceremony, car caravan, court luncheon, game, contests after school, dress-up days, and the dance on Saturday night in the cafeteria.

Again this year council proved themselves as a very needed organization.

FOREIGN STUDENTS JOIN IN!

This year we had two Foreign Exchange Students here at Bloomington High: Atefeh Azabdaftari from Tehran, Iran, and Bloomington's Sister City Student, Kinu Kataoka from Asahikawa, Japan. Both of these girls were seniors this year.

These students lived with an American family while attending school here. They arrived for school in August and stayed in Bloomington through part of the following summer. During the school year they were involved in various activities around the high school and outside of school. Kinu enjoys reading, music and she takes gymnastic lessons. Atefeh is in French Club and she likes swimming, basketball and tennis.

The Aegis, the school paper, got off to a late start this year, with a small but very enthusiastic staff. Aided by Mrs. Russell, the advisor, the staff met weekly to put the paper together. Papers were distributed on a monthly basis.

The student body really appreciated the hard work of the Aegis Staff.

TO MEET DEADLINES

The Aepix Staff started out with 20 members, meeting each day 6th hour in room 200, with Mrs. Russell serving as advisor. As the year progressed certain circumstances led several students to drop yearbook at midterm, thus drastically reducing the staff. The end of 3rd quarter also brought about changes including a new advisor. The new advisor, Mrs. Doran, did her best to nudge the staff along, however, by this time the yearbook was behind in production schedule. As the end of the year rolled around the book was nowhere near completion. Summer vacation also meant summer workshops for the staff. However, as the 1979 AEPIX proves, anything worthwile is worth waiting for.

This scene depicts a typical beginning for the everyday production of the AEPIX.

PEP CLUB FIRES UP SPIRITS

This year Pep Club was very busy raising the spirits of the already rowdy Raiders. They not only decorated the halls, football stadium, and gym before games, they also organized the vibrant Pep Assemblies.

To raise money for these activities, they sold buttons for all the games, purple cowboy hats, tumblers, B.H.S. tee shirts, plants and much more.

Their energetic president, Lisa Lenhardt, had activity ideas in great abundance. Among these were having the Band march in some of the Pep assemblies, etc.

The Board deserves much credit for their great help in showing up to all the meetings and working hard once they got there.

INTERNATIONAL CLUB HAS SUCCESSFUL YEAR

The 1978-79 school year proved successful for International Club under the advisement of Mr. Paul Carther and officers: President, Richard Jackson; Vice President, Debbie McGrath; Secretary, Darla Wilkey; and Treasurer, Keith Kauffman.

The club sponsored the annual talent show and awarded prizes to the following acts for outstanding performances. First place was awarded to Doug Traxler and David Sigler for a musical number; Second place was awarded to The Flying Eights for an acrobatic routine and Third place was awarded to John White for a comical pantomine routine.

Beisdes the talent show, International Club also held an all school assembly which enabled the exchange students who attended B.H.S. this year a chance to show us some slides and tell us a little bit about the ways and customs of their home countries.

At this point you may be wondering how this kind of exchange is arranged. Each year International Club makes it possible for 2-3 students from foreign countries to come to the United States and attend school at B.H.S. International Club supplies the foreign students with a yearbook, class ring and Activities Club Membership and this year a trip to Six Flags.

Exchange students have to pay their own plane fare to the United States and bring about three hundred dollars spending money. Exchange students usually stay with a student from B.H.S. and his or her family.

Human Relations Club again completed a successful year. Under the leadership of Barb Wadell, President; Ranette Brown, Vice-President; Tamara Brown, Secretary; Robin Beard, Treasurer; and Karen Cotten, Activities Director, the club aimed to promote better understanding among all people.

In addition to their Annual Fashion Show, club members sponsored an assembly for Black History Week and held activities on Martin Luther King Day.

Out of school activities included a talent show in the community and a Spring Banquet.

MU ALPHA THETA

Standing from left: Sec. Judy Sperry, Treas. Ed Seebauer, Vice-Pres. Bill Profilet. Seated: Pres. Al Foote.

Mu Alpha Theta is the club for honorary math students here at B.H.S. To be a member, a person must pass the initiation. Under the guidance of advisor Ms. Marianne Prefer the members planned the activities for the year. They elected Al Foote as their President, Bill Profilet as Vice-President, Judy Sperry as Secretary, and Ed Seebauer as Treasurer.

The annual volleyball game between Mu Alpha Theta and Physics-Astronomy Club resulted in a victory for Mu Alpha Theta.

The guest speaker this year was Conrad Carroll. Other activities shared jointly between Mu Alpha Theta and Physics-Astronomy Club were the car wash, the candy sales, and the end of the year picnic.

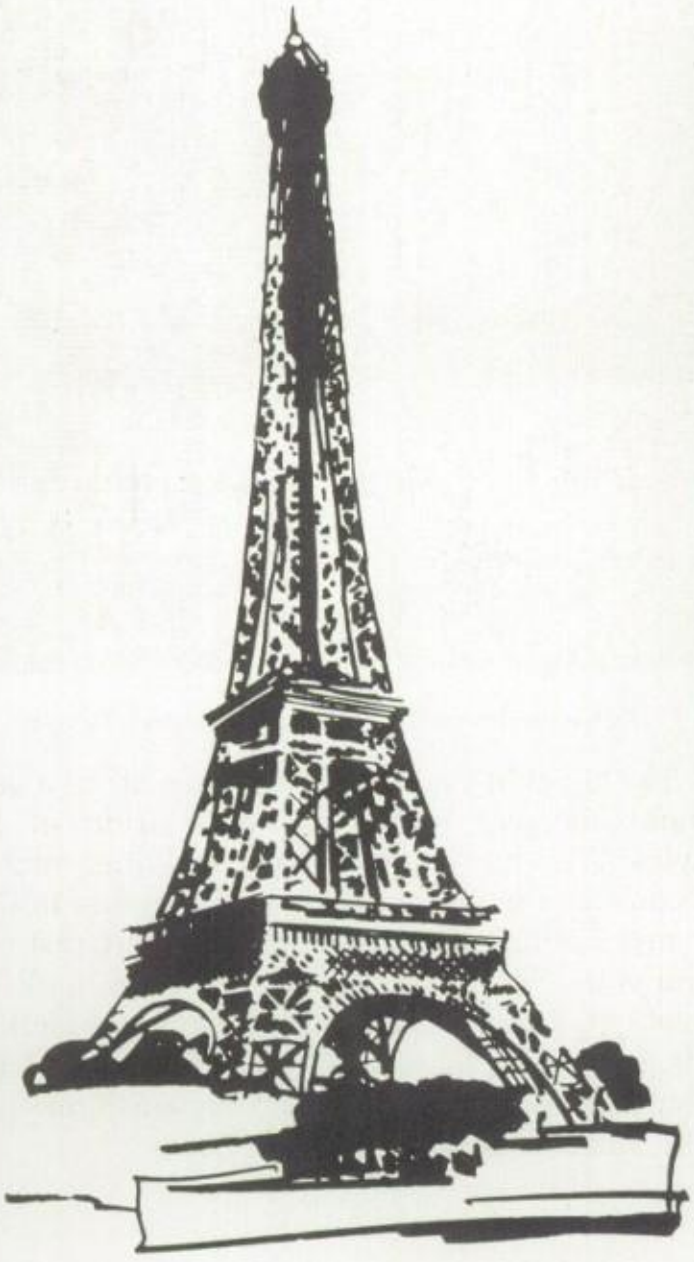
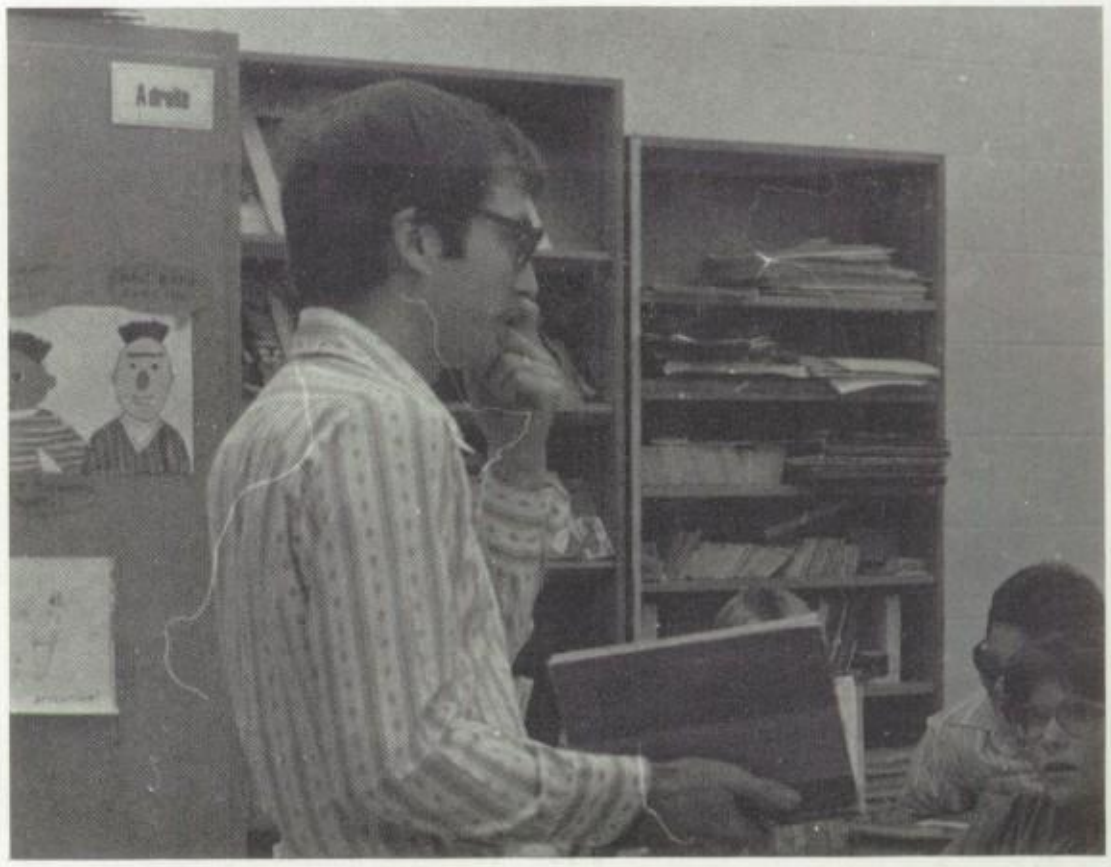
PARLEZ VOUS FRANÇAIS?

French Club members have just as much fun as they do work, well maybe a little more fun.





Bert, Ernie and Mr. Hughes all enjoy French Club.

French Club members, through French Club, sought to gain an in-depth knowledge of the French language by hosting French speakers. The club also had two money-making projects, a candy sale and a T-shirt sale. The club also had many activities including Initiation, a Christmas party, a picnic and an end of the year dinner at Jummer's. Mr. Hughes worked with the officers to coordinate their ideas and develop activities. The club had a well-planned year.

The German Club members were off to a good start this year under the supervision of Ms. Lyles. The club planned many activities such as Octoberfest (a harvest festival celebrated in Germany) Fashing (similar to our Mardi-Gras) several volleyball parties, two candy sales, and Festmahl (a German dinner at Jummers). Helping Ms. Lyles were the club officers: President, Lauri Sharp: Vice President, Dave Atkinson: Treasurer, Jeff Vannice: Secretary, Kim Goben.

Activities Club, consisting of close to 90 members, is one of the major clubs at BHS. Led by President, Paul Lemert; Vice-President, Julie Williams and Secretary-Treasurer, Annette Pressley, the club was supported by the City of Bloomington Parks and Recreation Dept.

The goal of Activities Club is to enable students to visit recreational spots in the area. Among trips taken this year were visits to Old Chicago and Marriott's Great America, tobogganing at Palos Hills and a ski trip to Devil's Head Lodge, Wis. The club also sponsored a dance at Miller Park Pavillion, Las Vegas Night and a Halloween Hay Rack Ride and Horror movie.

Raiders' mean defense holds back Normal Tinmen.

This year's Varsity football team burned up the field with their offensive strategic plays, while the defense curtailed their opponents like block-busting locomotives. After being assistant coach at East Leyden for eight years, Coach Terry McCombs proved himself excellent for his first year coaching the Raiders. The team had state potential, but certain circumstances held them back. Their 7-2 season record resulted from hours of hard work on the playing field. The Raiders tied for 2nd with Champaign Central and Urbana behind champion Danville. Don Anderson was voted the team's most valuable player.

Congratulations to the Varsity football team for an outstanding season.

Now only a memory turning the interlockings of the mind.

The Cross Country varsity squad had a record of 8 wins and 9 losses. Members of this young team, made up of two senior boys, one senior girl, four juniors, three sophomores, and seven freshmen improved during the season with David Hess being named most improved member.

Even though it was a rebuilding year for the team, they captured second place in Intercity only five points behind the winning squad. An inexperienced team which makes such an impressive showing as this holds good promise for next year.

The Freshmen–Sophomore team had two third-place finishes and one fourth-place finish.

The 1978 Golf Team faced a challenging schedule under Coach Herb Curtis. Junior Todd Zimmerman led the Varsity with a 38.9 stroke average. Duncan Funk and Dave Fairbanks had averages of 39.3 and 39.7 respectively. The Varsity finished the season with a 16-13 record. They came away with the Big 12 Championship. Dave Fairbanks was the medalist in the District Tournament. However, the team placed second. The team was ousted from their bid of going to state when they placed sixth in the Sectional.

The Girls Team's final record was 1-5. They placed sixth in the District. The Junior Varsity team stroked their way to a 6-2 record.

Todd Zimmerman was Varsity's low scorer.

1979 marked the first year Bloomington High School was represented in official Badminton tournaments. This year the team was composed of 15 members, mainly freshman. The team had only five practices before meeting their first opponents. They played against New Holland, Springfield, Morton and Normal, twice, losing all tournaments. Considering their lack of experience, the team showed great promise and members anticipate a successful season next year.

Their hard work paid off when they tied for 2nd place in district competition. The team sent seniors Nancy Johnson and Michele Morel and sophomore Pat Meek and junior Angie Bridges in doubles to state finals held in Arlington Heights, Illinois.

The team was coached by Ms. Sue Silvey.

VOLLEYBALL . . . YOU BET

Again this year Girls' Volleyball was very popular. The tryouts were held the first week of school and Coach Gunder had a tough choice to make. The team consisted of four seniors: Captains Julie Genzen, Sandy Guess, Mary Marsh, and Terri Rettig; four juniors: Beth Rosensteel, Vicky Stevens, Onnie Herman, and Angie Poppe; four sophomores: Cindy White, Beth Witt, Michele Johnston, and Vicki Steidinger; and freshmen: Tammi Rettig, Debbie Imlah, Bonnie Alcorn, Barb Wilson, Kim Roth, and Kathy Ipsen.

This year was a year for firsts; Bloomington was included in the U-High Invitational and the Intercity Tournament was also started. The girls traveled a lot—three times to Peoria—and they had six other away games. The fans from home provided much support even though the home games were few. Even more fans than the past years were there.

The girls worked very hard. Even though their record doesn't show it, the Consolation Championship trophy from the U-High Tournament recognized their efforts.

VARSITY MATMEN

This year the Varsity Matmen fought their way to an 8-8 dual meet record under the direction of Mr. Jim Bowers. Inexperience played a key part for this year's grapplers as several wrestlers saw varsity action for the first time. Showing the most promise for the young Raiders was Scott Brittin, who along with veterans Jeff McCuen and Jeff Bowers both won Big 12 championships and led BHS to a fourth place conference finish. At the seasons end McCuen was elected most valuable wrestler by his teammates and was slected to the all Central Illinois team by the Peoria Journal Star.

It was the Saints vs. the Raiders but did we win? *Sure* we did!

Coaches Hodgson and Spahn direct the team with playing tips.

Mitchell, Pavlik, Jones and Hurst take time for a picture.

This year's Varsity Basketball team was off to a good start early in the season. They ended the year highly regarded as one of the best teams of Central Illinois. Tournament results were: Second place for Intercity, Third place for Illinois State Classic, First place for the Big Twelve Conference, First place for the Regional Tournament and Second place for the Sectional Tournament. The Raiders lost the Sectional by only two points. Our Varsity team played superbly and hopefully next year's team will be just as good.

GIRLS' BASKETBALL TEAM

The Girls' Varsity Basketball team worked hard this year to end up with a winning season with 13 wins and 9 losses. The Junior Varsity came up with a record of 6 and 9. The girls won 1st in the Intercity Tournament and came up with our regional title. This year was a first for the Lady Raiders to make it past regionals and on to play in the Sectional championship which they lost by a mere basket. The team was coached by Ms. Sue Silvey and was assisted by Ms. Barb Mulligan, who also coached the freshman team. The two senior captains, Laurie Roth and Julie "Tree" Genzen, helped in making this year's team a winner.

Huh! What cha say?

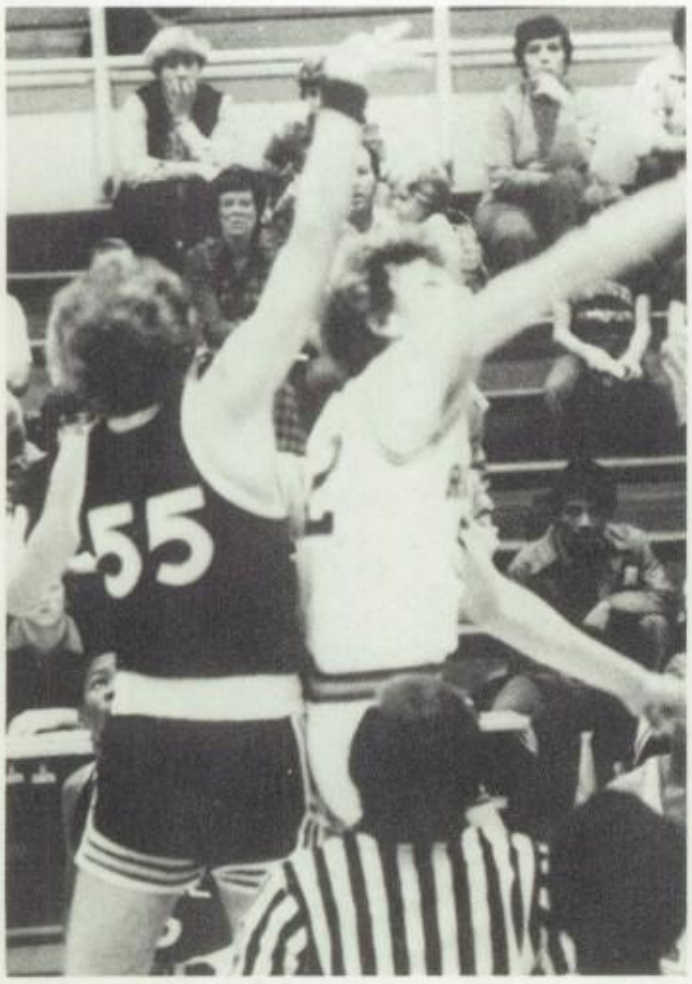
SOPHS PREPARE FOR VARSITY



Get that ball.

This year the Sophomore basketball squad had their ups and downs under the coaching of Mr. Brian Orr. Steve Hurst led the scoring attack averaging 14 points per game. Steve Turner was the leading rebounder pulling down 9 rebounds a game. Overall, the Sophs should be prepared for Varsity action next year.

Up he goes!

This year for the first time Freshmen Basketball Team was coached by Mr. Richard Krueger. The freshmen began the season with a slow start but ended up with a 12-10 record. Alan Hall led the team with 455 points and 286 rebounds for the season total. This sounds like a good start for the future Raiders!

Hope he made it.

GIRLS' SWIM TEAM

Susan Donley swims to win.

Swim Team Coach, Ms. Doyle, gives advice to her swimmers.

Bloomington High School Girls Team Coach was Ms. Doyle. Captains were Becky Hamm and Linda Hartely. The team had a good season this year. Nancy Anderson was named best swimmer and Susan Donley was the high point winner. The relay team missed State qualifications by one half of a second. Becky Hamm, however, represented Bloomington at State in diving. Congratulations girls! Good job.

The 1979 swim team finished its season with a 1 and 15 record. At first glance this seems somewhat unspectacular, but a closer look will show that this feat was achieved with a young team consisting of nineteen swimmers; six freshmen, eight sophomores and five juniors.

This year John Pratt qualified for state with a time of 54:14 in the 100 yard butterfly.

The team did somewhat better in conference meets placing eighth in the downstate relays, fourth in the Big Twelve and seventh in the district meet.

This year was Coach Bertagnolli's last year and "it was one to remember."

Judges and Timers report results.

DOLL-FINS ALWAYS ON TIME

Doll-fins work hard, but there is always time for a picture.

The Doll-Fins sprang into action to keep the swim meets running smoothly. The Doll-Fins had to keep times, run cards with the event results, keep score and hold the recall rope in case of false starts. In doing all of this the Doll-Fins also provided plenty of spirit and sportsmanship. The Doll-Fins this year were: Dana Edwards, Stacy Pokorney, Barb Heistman, Jana Martin, Mavis Edwards, Linda Hartly and Vicki Scott.

Vicki awaits results.

The doll-fins get ready to stop the clock for the winning time.

The Raiders win the relay once again.

Rick Wills throws the shot.

This year's track team was young and very inexperienced with only four seniors returning to a twenty-eight man squad. The squad was paced by senior weight-man Don Anderson, who had thrown over qualifing distances in the shot and discus.

Success this year has been measured by individual achievement. Next year's success will come as a result of work put in this year.

THE GIRLS' TRACK TEAM--

Row 1--Mary Barnes, Kim Roth, Sheila Scott, Sandy Guess, Pam Locsin, Chris Sennewald, Juli Augsburger. Row 2--Angie Poppe, Carla Thomas, Michele Johnston, Kelly Halihan, Beth Witt, Rhonda Schillinger, Beth Boeckmann, Vicki Steidinger, Susan Hill.

Senior Sandy Guess, co-captains Rhonda Schillinger, Angie Poppe, senior Susan Hill lead the team.

SMALL BUT MIGHTY

Juli Augsburger heaves the shotput for a winning throw.

Plagued by injuries, the Girls' 16 member Track Team struggled through a cold and rainy season. They started practice in January and continued through the end of the year for a short schedule of track meets in April and May.

The team tied for 6th place in Big 12 Conference with Stephen Decatur and placed in District.

Juli Augsburger placed 1st in District in the shotput which qualified her for state competition where she placed 4th. Juli was voted most valuable player. Rhonda Schillinger, who had previously qualified for state during her sophomore and junior years in the 880 yd. dash, received the Raider Award.

Mary grimaces after race.

ANOTHER WINNING SEASON

The Varsity Baseball team had to battle more than their opponents; they also had to combat the weather. After a slow start due to rain, the Raiders had a winning season with an 11-9 record under the coaching of Mr. Bob Spahn.

Several players batted over .300 with Scott Hartema leading the team at .418. The team had strong senior leadership from Bill White and Mike Reeves. Bill led the team with eleven stolen bases. Todd Zimmerman tied the school record with five sacrifices, while Andy Mardis was the leading pitcher. Scott Hartmea was voted the most valuable player by his teammates.

Second row—Coach Krueger, Marty Brewer, Brian Parker, Kevin Smith, Tim Edmonds, Don Loftus, Mike James, Steve Kolbus. Third row—Randy Malinowski, Tim McMeekan, Dave Gordon, Scott Cook, Steve Bridges.

This years Fresh/Soph. baseball team had a 5 in 9 record. The team, hampered early in the season because of rain, was forced to play 7 games in 8 days which was very hard on the team. After that things were back to normal again. The two leading hitters were Steve Bridges and Tim McMeekan.

GIRL'S SOFTBALL TEAM

This year was the second year for a girl's softball team at BHS. These girls practiced hard after school and on Saturdays to groom the team for a final record of 11 wins and 9 losses. There were 20 girls who played for either Junior Varsity or the Varsity team. This team was under the fine coaching of Ms. Jo Morrison who was assisted in practices and games by Lori Cave, Sheri Stevens, Susan Marker and team manager, Tammy Paris. Two returning letter winners were chosen to be captains, Vickie Stevens and senior Julie Genzen. These girls did their best in helping the team out.

At the end of the year 14 team members received letters and 5 received numerals. There were 4 other awards given out, one to Vickie Stevens who was chosen Most Valuable Player. Onnie Herman was Batting Champ with a batting average of .461 and she had 33 RBI's for the season. Two people received awards for the Most Improved Player, Tammy Rettig and Judy Jenkins. The last award, given to the girls with the Most Outstanding Effort, was given to Genda Potter and Cathy Cave.

The team went through sub-regionals defeating two other intercity teams plus Olympia. They lost in the Regional Championship against Pontiac who had a 10-4 record. For being only the second year for this team and coach they sure did a good job!

Judy winds up for the hit.

spirit going.

Being a cheerleader takes more than just a pretty smile. Our cheerleaders here at B.H.S. work very hard to keep the spirit up at our games. They usually practice every other day after school. During this time they work very hard at such skills as front and back walk-overs, flip-flops, pyramids, roundoffs, and splits. They must also work on the rhythm and memorization of their cheers.

WATCH OUT, DALLAS

This year's Sophomore Cheerleaders helped "Round off" the game with their unfailing energy. All of these girls showed a lot of school spirit and added a new dimension to the game. What would we do without our Sophomore Cheerleaders?

The Freshmen Cheerleaders were off to a good start this year with Captain Nancy Theil. All the girls met twice a week to practice their cheers. Much spirit was shown by the squad at each game. Mrs. Kleinow, advisor, said all the girls showed pep in endless hours of practice and performance.

IN MEMORY OF "CARMEN LISA CORDERO"

CARMEN LISA CORDERO was born September 11, 1961. On June 23, 1976 an automobile accident took her life. Carmen was a member of the Class of 1979. We the AEPIX staff felt that a memorium in honor of Carmen would pay a lasting tribute to this very beautiful person.

Carmen was actively involved in school and her community. She was a member of the Spanish Club, the B.H.S. Student Council, and belonged to the Pathfinder's Club in the Seventh Day Advent Church. She also participated in gymnastics and was learning to fly on the trapeze with her father. Carmen was interested in any kind of sports, in helping others and in life in general. As Carmen's mother said, "Carmen loved life, people and most of all her Saviour, Jesus Christ."

Her service to her church and her dedication shall always be remembered.

National Honor Society selection committee.

NATIONAL HONOR SOCIETY

The Candidates for National Honor Society are selected each year by a group of teachers representing the spectrum of the school. Those seniors who have earned a 4.2 cumulative grade point average or above are eligible for National Honor Society. However, they must also demonstrate fine character, potentialities for leadership, and willingness to render service. Scholarship, Character, Leadership, and Service are the four chief principles on which National Honor Society is anchored.

EDITOR'S NOTE

A yearbook requires the skill and knowledge of a variety of people. As I have struggled to produce a yearbook you, the Raiders, woud be proud of , I have found the task would be endless and impossible without the support and help from others. To begin, I would like to thank all of my teachers who allowed me to miss class whenever there was pressing business to be done. Also I cannot forget to thank Mr. Harold Garrett for the use of his key, Mrs. Peggy Penn for kindly tolerating all the annoying interruptions, and Mrs. Donna Mackenzie for her superior financial advisement. I would also like to thank Scott Allen for the use of his pictures. The AEPIX staff of 1980 played an important role in the finishing touches. I sincerely would like to express my great apprecation to Mrs. Jane Corley for typing the index. A staff is never complete without an advisor. Mrs. Faith Russell started us off with many complications overcome, due to her ability to forge ahead under impossible circumstances. Mrs. Janette Doran went above and beyond the call of duty, spending endless hours during the summer, on weekends and late at night finishing this yearbook. The production of this yearbook would have been impossible without her. If the opportunity ever arises, please thank her personally. Most of all I would like to thank my family, who never gave up, even when I did. Their encouragement and support always gave me a new spark.

The past seeks no future, leaving today behind, storing one more yesterday in a reservoir of time. The future will find us tapping this reservoir often, seeking the laughter of victory, the cry of defeat, and knowledge gained from experience. This yearbook is filled with memories of a path already travelled. We cannot turn back, for time only knows advance. However, when our thoughts turn the hands of time backwards, this yearbook will act as a key unlocking the door in our minds. As you lift the cover, and turn the pages, I hope you will say you have travelled the path we have all forged in 1978-79. So it is with tradition that I close this yearbook, hoping to open doors to the new memories of yesterday . . . . . .

Memories of The Way We Were

Garry D Hendricks

Tom:
Remember: "Talking always
helps"! (We ought to know
that by now!) Look — I'm glad
we've gotten a lot closer — (how
corny) right?) I guess we can
sit and analyze most anything
from now on ... will it ever
end — Hopefully not!
Take Care Always —
I'll get everything
straightened out
for
your friend,
Mary
